Demographics

Luke AFB is the largest Fighter Wing in the world. Luke Air Force Base takes pride in training the world's greatest F-35 Lighting II and F-16 Fighting Falcon Fighter Jet Pilots while deploying mission-ready war fighters. The base is located in Glendale, Arizona, population 246,000+ just west of Phoenix. Phoenix Arizona is the sixth largest city in the United States.

Our Expanding Market: Pilots from eight countries will train alongside U.S. pilots on the F-16 and F-35. By 2024, the base is scheduled to have 144 F-35s, making it the largest F-35 base worldwide.
