

Registration

You will need to bring in your vehicle registration, proof of insurance, and DoD ID to ODR. All names must match on all 3 documents, with the person that comes in.

ONE registered item per spot/household.

All Items stored must be properly registered and display current license tags at all times.

Payment Information

Payments are charged automatically the 1st of every month. No exemptions.

A \$10 late fee is assessed if payment is not received by the 15th of the month due to credit card failure, declines or lost cards.

If a customer is 45 days delinquent, the customers access key card will be deactivated until account is brought up to date. Phone calls and emails will be issued to notify customer.

24hrs Access to lot with key card

Your Space #

Policies

All policies are for both off base and on base lot unless stated otherwise.

- * Stored items must be parked within their assigned spots only. Parking in different spaces can result in immediate termination of contract. If you have an issue with your spot, you may park in our Over Flow spot located in the North-East corner of the lot, located near the horse stables, for off base lot, then contact Outdoor Recreation.
- * If you register for a space and your item is determined to be too large for the size space given, you must vacate the spot and be placed back on the waiting list, if there are no other spots available.
- * All stored items must be in operational condition at all times as they will need to be moved at any given time, if needed. (this includes no flat tires)
- * **One** recreational vehicle may be placed in a registered spot and only **one** spot per household. If the customer gets a new item, it must be appropriate size for their spot and must complete a new registration form as well as provide proof of registration and insurance to Outdoor Recreation.
- * Customers must maintain insurance and current registration on their stored items.
- * Users are responsible for their property and the upkeep and appearance of the surrounding area (trash, torn tarps, weeds, etc.)

- * Customers who are out of the local area for extended periods of time, they must appoint a local contact (who has power of attorney) for access to the stored property.
- * If the customer plans to remove their property for a period greater than 30 days, they must notify the ODR office. If we notice a spot being unused for a period of time, we may cancel your contract and allow the next customer to use the spot, if we have a long waiting list.
- * If you lose your access key card or lot tag, a \$25 non-refundable replacement fee is charged.

Cancellation

- * To close out your account you must return your access key card or lot tag to Outdoor Recreation. You will continue to be charged until it is returned back in to ODR.
- * Users must make sure their spot is free of weeds and trash before turning in their key card or lot tag.
- * There will be no refunds given if vacated right after the 1st of the month, unless notice was given to ODR Staff.
