NOT EVEN FOR A MINUTE

Keep our kids safe. **NEVER** leave children unattended in running vehicles.

The Core Risks

Vehicle Theft & Rollaway

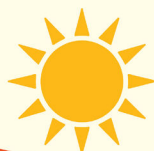

- Idling vehicles are prime targets for opportunistic theft.
- Unattended cars can easily be shifted out of park by a child.

Heat & Environmental Hazards

- Cabin temperatures can reach fatal levels in minutes.
- Risk of carbon monoxide buildup in enclosed or semi-enclosed spaces.

Legal & Base Consequences

- Violation of base safety regulations.
- Potential loss of CYP enrollment privileges and referral to Security Forces.
